THE LADY & THE DESK CLERK

During summer vacations I work as a desk clerk at a swanky Brighton resort hotel. The money is only fair but helps pay for grad school. The best part about it is some really hot women—and opportunities—check in.

Last summer, for instance, was pretty ordinary, until someone I'll call Lady Catherine arrived. The finest suite was reserved for her, complete with Jacuzzi, wet bar and plush carpeting. She was expected to check in during my shift, and the manager's warning to us was that anyone who screwed up would be executed and then fired, which did little to put me at ease.

She arrived shortly after noon. Lady Catherine was in her forties, and she carried herself with grace and confidence, and was at ease with her power and position. Her face was strikingly handsome, with a full, sensual mouth. Dressed in linen Capri pants and jacket, she had a way of walking that made it appear there was a red carpet rolled out for her to tread upon. She definitely gave the air of being an aristocrat.

I greeted her and she signed in, then her bags were taken to her suite. All had gone well and I was relieved.

Later that afternoon I answered the main phone. Lady Catherine was extremely irritated. I politely inquired as to the nature of her problem, assuring her that anything could be arranged to her satisfaction. She refused to be mollified and insisted that we discuss the problem at once in her suite.

One of the girls from the gift shop covered the desk while I hustled up to see Catherine, trying to imagine what could be lacking. I knew the manager's warning was no idle threat, and I visualized the evaporation of my grad school funds.

When Catherine answered the door, she displayed no signs of anger. In fact, she smiled coyly and motioned for me to come in. She wore sandals, shorts and a cotton blouse, and I could not help but stare at the sight before me. Her body certainly didn't reflect her age: Her legs were tanned and trim; her ass high and firm.

"What are you staring at?" she demanded.

Her directness shocked me and I flushed. "Nothing, ma'am."

"I was fairly certain you would be a good choice," she said.

I had no idea what she was talking about. I simply wished she would tell me what was wrong so that I might salvage my job.

"How much will it be?" she asked. "I plan to be here a week and I expect you to be available any time I call." When she unbuttoned her blouse, her meaning became clear. She wore no bra, and my eyes were riveted to her magnificent breasts. They were perfectly shaped, with upturned pink nipples.

"I would like to decide on a price before we begin," she said, and then she slipped out of her shorts, panties and sandals. The sight of her lovely body made my dick harden. I'd never before been the type who performed on command; it made me nervous. And Catherine seemed to sense my nervousness.

"You know that I could blackmail you and get what I want by threatening to complain to the manager. However, I don't work that way. I'm more than willing to pay for my pleasure."

My throat was dry as she placed her hand on my bulging penis and unzipped my pants. "I guess I'd better check out what I'm paying for. My husband always says that the merchandise should be the finest," she commented, as though she were inspecting a show horse.

Her fingers wrapped around my cock. "Hmm. It appears that I'll definitely be getting my money's worth."

Without thinking I reached for her breasts, but she backed away. "I should make one thing clear. I decide what happens and when; you perform on command. Do it well

and your fee will be one thousand dollars.”

A thousand bucks! That was a nice chunk of change! Not only could I use the money, but I was eager to begin to earn it. I followed Catherine to the bedroom, where she arranged herself on the king-sized bed. “Get undressed, then open the drapes and come here.”

I slipped out of my clothes slowly, giving her a show. My body was tanned and well-muscled, and she smiled her approval. I pulled open the drapes and the English Channel filled the window. The suite occupied the top floor, commanding a panoramic view from the surf to the horizon. The day was clear and the water a glassy blue-green.

I lay beside her on the bed, remembering the instructions about her giving the commands. She pulled me on top of her, pressing her tongue into my mouth. Her breasts brushed my chest and she raked her nipples over mine.

er fingers found my hair and she pushed me to her breasts. My tongue circled her nipples with broad strokes, and then flicked at the ends. Catherine rolled her chest, guiding me from one breast to the other until she began to heat up.

She urged me on to her pussy, pressing its lips to my mouth and raising her hips. I tongued her cunt lips and vagina, but she shoved her clit against my mouth and pressed her fingers into my head to make sure that I stayed there. Her swollen clit was an easy target; I licked and kissed the tiny nub and it was only moments before Catherine’s legs tightened around my head.

She spread the lips of her cunt with her fingers and I sucked her clit into my mouth. The scream and the spasming of her cunt were simultaneous. I stayed between her thighs, lapping her pussy juice and waiting for her to come down from the orgasm.

The idea of selling my body was a turn-on, I admit. This gorgeous

woman was actually paying me to service her, and I loved every minute!

Catherine draped her legs over my shoulders and lifted her hips so that my tongue made contact with her ass. I didn’t hesitate. My tongue flicked the tight, wrinkled hole until she squirmed with delight. Her cunt juices oozed down into the crack of her ass and lubricated my target.

I stiffened my tongue and penetrated her asshole, probing deeper and deeper. Lady Catherine’s moans were joined by a buzzing sound, and I felt a small vibrator brush my nose as she touched it to her clit.

Within a minute she exploded, this orgasm more violent than the first. I did my best to keep my tongue lodged in her anus as she bucked like a wild bronco. Again, I lapped up her juices until her hips stopped gyrating. Then she switched off the vibrator and pulled me upright.

I was hard and horny, but I quickly discovered that my role had ended. Catherine kissed me on the cheek and rolled from beneath me. As she headed for the bathroom she turned and smiled. “A very satisfactory performance,” she said. “I will expect you here tonight at 10. Don’t be late and don’t knock. You have a key—use it.”

She closed the bathroom door and I rounded up my clothes. My cock felt like a baseball bat and I let my fingers play over the head. The bathroom door opened a crack. “By the way, darling,” she called out. “Don’t waste any of that precious fluid. You will be needing all of your strength for later.”

I took her advice. I certainly wanted to be able to fulfill my end of things; any extracurricular orgasms would only make the task more difficult.

As I left her suite and headed down to the desk I found myself reveling in the role of stud. I’d had my share of sexual experiences, but never with a woman like Lady Catherine. I was anxious for the evening

to arrive.

At 10 o’clock I swiped my master key card in the door of Lady Catherine’s suite. As I moved through the sitting area and toward the bedroom, her moans grew more distinct. Expecting another man, I pushed open the door and looked in.

Catherine lay spread-eagled on the bed, her mouth open. The head between her legs was topped with long dark hair that cascaded over Catherine’s pubic area and thighs. The body was an exquisite one—thin but firm, with a model’s ass.

Catherine noticed me and my presence seemed to spur her to an orgasm. As she watched me rub my dick through my pants, the volume of her moaning increased with every breath. Her hips bucked into the face attached to her love mound until she scissored her legs frantically around the girl’s head. Then she finally exploded.

Temporarily appeased, Catherine spoke to the girl, who remained between her legs. Much as I had done earlier that afternoon.

“Diane, this is our young man.” The girl looked up. She was beautiful; her face was highlighted by a

pert, round mouth and cat-green eyes. She sat up on the bed and I had a good view of her breasts. The aureoles were much larger than Catherine's and the nipples were a chestnut brown. When she smiled I thought how easily this could have been Catherine 20 years earlier. Both had supple bodies, wavy brown hair and haunting facial features.

"I've arranged for Diane to spend the evening with us," Catherine said. "If both of you continue to do a satisfactory job you will be rewarded, as I had promised."

Although I had known Catherine less than six hours, I was not at all surprised that she had "rented" Diane for her little scene. I certainly had no reason to complain. Diane was easily the most ravishing piece I'd seen so far all summer.

Catherine was in total control of the event. She started by helping Diane undress me; then they inspected me as I stood naked before them. When Catherine told Diane to suck my cock, she knelt and began to lick the full length of my shaft. Her puckered mouth slid gently over the head, gradually taking more and more of my cock inside. I tried to grab the back of her head, but Catherine wouldn't allow it.

Diane proceeded to drive me wild, sucking me with throat-stretching gulps and slipping a hand between my legs to caress my ass. I began to rock into her face as I approached a long-delayed orgasm.

That was Catherine's cue. She pulled Diane away and they locked in an embrace on the bed. Catherine shoved Diane onto her back and straddled her chest. They fondled each other's breasts as I looked on in frustration.

Finally Catherine turned to me. "Come and take care of Diane," she directed. She then lowered her cunt onto the young girl's face, fucking herself on Diane's tongue, while I crawled between her legs. Diane opened her thighs and my tongue found her silky slit. Running my

tongue over her pussy lips, I continued to avoid her clit until I heard her frustrated cry muffled by Catherine's cunt.

"No more teasing," Catherine ordered. "Give the girl an orgasm."

My lips found her clit and Diane squeezed my head with her thighs. I took her love bud into my mouth, kneading it with my lips and tongue. She erupted in a thick flow. As I licked Diane clean Catherine came, jamming her pussy down on Diane's face.

either woman needed time to recover. Catherine pulled me to her, sucking my tongue into her mouth and rubbing her cunt against me. "I've made you wait long enough. Fuck me with that big dick and make it good."

She pushed me onto my back and lowered herself onto my throbbing shaft. Her pussy was slick and I entered easily. She locked her vaginal muscles around me and churned her hips. I struggled to keep from shooting until our even rhythm eased the pressure. Then I concentrated on giving Catherine the good, hard fucking she needed.

Diane moved close to watch the action, and I winked at her and flicked my tongue over my lips. She needed no additional prodding. It was her turn to straddle a face, and she mounted me eagerly. I was close to coming and the scraping of Catherine's fingernails on my chest told me that she was ready too.

I took Diane's clit into my mouth and worked it against my teeth. She squealed and pressed herself harder on my mouth. I continued to chew lightly on the nub while I pounded into Catherine. Both women began to pick up the tempo with their hips and I let my cock relish the sensations of Catherine's velvety stroking. Grabbing her hips, I slammed into her viciously and she responded with an immediate orgasm. Diane followed by drenching my face with her hot juice.

I relaxed and savored the thrill,

thrusting into Catherine's slot again and again until I blasted her with a giant load of cum.

It took a bit longer for Catherine and Diane to recover after this round. I was surprised to find that my cock needed no recovery time. It remained erect and ready for action.

Catherine excused herself and went into the bathroom while Diane and I lay together, kissing and fondling. Diane's gasp turned my head to Catherine, who had returned.

She wore an immense plastic cock strapped to her waist. The thick tool jutted like a hammer handle from its slim frame. Catherine positioned herself on the bed and ordered Diane to lower herself onto the giant dildo. I watched in a combination of lust and amazement as she obeyed.

Catherine remained still, allowing Diane to take her time. Edging the tip into the mouth of her vaginal canal, she rubbed on it until it glistened with her juice. Then she pressed downward and forced the pole inside.

More and more of the length disappeared into her cunt until at last her trimmed pubic hair was entwined with Catherine's. Diane's eyes were closed and she bit her lower lip, but I could see her abdominal muscles contracting on the dildo.

The pressure on Catherine's clit must have been explosive because she began to flex her hips and moan. She rammed the dildo into Diane and they proceeded to pound together.

It had been an effort for Diane to take the big rod, but now she intended to enjoy it. She threw her head back and humped down on the shaft in a frenzy of passion. Then Catherine's eyes met mine. She seemed pleased that I had waited for her command.

"Fuck Diane in the ass," she said, "and give her a good ride."

Diane didn't object. When I

scrambled behind her and placed the head of my cock against her ass, she leaned forward to provide me with a better angle. I eased my cock against her asshole and the head slipped in. She was lubricated with a flood of her own cream. I took my time working my cock into her tight butthole. I felt myself wedging against the broad plastic prick that filled her cunt.

Finally Diane hunched back against me and the last of my erection was swallowed by her ass. I began to match strokes with Catherine, fucking Diane until I was sure she would fall apart. She gave no indication of pain. Instead, she crooned and begged us both to fuck her deeper.

Catherine had already experienced a chain of orgasms while fucking Diane, and now she seemed content to pleasure the girl. Although I had come only moments before, I realized that her tight hole would soon receive my second load. I concentrated on holding out until Diane was ready.

Diane's breathing grew raspy and she fucked fiercely on the two shafts that impaled her. Her hands opened and closed around Catherine's breasts. She screamed and lunged downward.

The spasms of her ass set me off and I filled her butt with cum. The incredible contractions seemed to extend every spurt and I was sure I would come forever.

Lady Catherine was finished with us for the evening, but the week was only beginning. Diane spent every day with us. I definitely earned the thousand-dollar fee. By week's end I was exhausted, but never had I enjoyed working so much.

Lady Catherine has promised that I will be hired again if she returns to the coast. I can only hope it will be soon. Although there are other women in my life, I have been unable to find anyone with Catherine's beauty, lust and sense of command.

CODY

FLAT BROKE IN CANADA, EH?

The great Canadian Rockies provided the shelter for Cody and the cult. Unfortunately, living off the land was quite difficult, but returning to the straight world was not an option anymore...

The hippie cult resided in a valley between two mountains just outside of Banff National Park, their home a barren desert crevice protected by the majestic peaks which stood watch like a pair of immovable sentinels.

Desperate for money, Cody had convinced Sally and Dakota, the prettiest girls in the cult, to drive into the city in his old van and secure employment at one of the many topless clubs in the sleazy tenderloin district of Calgary. He had hated to ask them, hated it something awful, but the cult was on its last leg.

The prospect of returning to the "straight" world with its oppressive rules and regulations was not only unpalatable but downright terrifying.

His plan had seemed sound. After all, Sally and Dakota were a cou-

ple of fine-looking gals. Of course, he was devastated when they had returned from their trip without a single job offer.

"We're too flat chested," Sally had explained. "It was the same song and dance at every club..."

Cody had never foreseen such a thing. His predilection was hardly unique; lots of men preferred small tits. The managers of those topless clubs were a bunch of fools.

Now, the day after Sally and Dakota had been rejected by every club manager on the strip, Cody stared at the mountains and shook his head in disbelief. He had taken to staring at those mountains a lot in the past twenty-four hours; this despite the fact that they were a constant reminder of what he didn't have...

Chicks with big tits!

Chicks who could get up on a stage and shake those big tits and make some cold hard cash!

The big peaks mocked him as he stood there on the fringes of his desert community. Cody wracked his troubled mind for an alternative moneymaking plan, preferably one which wouldn't arouse the suspicion of the law.

"You okay, Cody?"

Sally's voice gave him a start. He turned to find her and Dakota standing beside the large boulder he used for a stage when addressing the members of his flock.

"I'm fine," he lied. "Just thinking."

"We're sorry, Cody," Dakota said. "You sent us on an important errand, and we failed..."

"We've put the whole commu-

nity in jeopardy,” Sally added.

Cody was on the verge of soothing their guilt-laden souls when his opportunistic nature reared its head. As founder and leader of the cult, he was a savvy reader of people. The two girls felt truly awful about failing to find work as dancers. They would, he knew, be more than willing to make amends for this failure.

The beginnings of a calculating smile creased his features as Cody, his cock stirring inside a pair of threadbare blue jeans, proceeded to exploit their guilt . . .

Neither Sally nor Dakota had needed much convincing. Free love was a daily way of life for the cultists. Everybody fucked everybody. Monogamy was for those dullard dupes in the straight world.

Still, it had been almost a week since Cody had gotten it on. Financial concerns had suppressed his libido. These concerns still plagued him, of course, but for the time being he was able to push them aside and focus on the lovely young bodies displayed before him.

A naked Sally lay atop the boulder, her legs spread to accommodate a hungry Dakota. The latter licked and lapped Sally’s hairy cunt. Cody

undressed hastily, then commenced to stroking his cock. Standing there beside the boulder, his vantage point affording him a spectacular view of Dakota’s skinny ass and Sally’s gaping cunt, he masturbated with a deft tugging motion.

Sally writhed atop the boulder, crying out as Dakota ate her pussy. Things continued in this manner until Cody had the girls switch places. Eager to please their leader, the two girls obeyed . . .

Cody continued to jerk off as Sally went down on Dakota. Sally’s tongue probed these lips, making Dakota sigh dreamily. No longer content with playing the role of spectator, Cody stepped forward and proffered his prick. “Suck it, Sally . . .”

She lifted her head from Dakota’s crotch and smiled. Then she wrapped her hand around the thick base of Cody’s dick and devoured him in earnest. Her hand and mouth working in tandem, Sally stroked/sucked him with expert skill.

Not to be outdone in pleasuring their leader, Dakota sat up and sucked Cody’s balls. The cock-crazy cultists worked him over good and proper, one mouth servicing his rod, the other taking real good care of his

cajones.

Having been brought to a state of supreme hardness, Cody gently withdrew from the two girls. He was ready to fuck, ready for some of that tight and hairy cultist cunt he loved so much.

“Lie down,” he told them. “Both of you . . .”

Cody climbed atop the boulder. He had delivered countless sermons from the rocky pulpit, but this would be the first time that he had ever used it for a love nest. The surface was unforgivingly hard. Still, the girls didn’t complain as they lay there, side by side, their skinny legs parted to receive their leader.

The difficulty, Cody thought, was in deciding whom he should fuck first. Sally solved this dilemma by playing with herself. Watching her rub her pussy did a serious number on the cult leader. His knees pressed against the rock, he moved between her thighs. Guiding his cock with one hand, he pushed inside her.

Sally responded immediately, groaning and clawing his back as he proceeded to screw her. Dakota watched the action, diddling her pussy and waiting for her turn. Cody pumped between Sally’s legs. He

pounded her like a piston, thrusting his engorged member into the depths of her hairless honeypot. She cried out crazily, a telltale sign that he had made her come. Cody felt the spasms wracking her body, each ripple evidence of a job well done.

One down, he thought, one to go.

He pulled out of Sally and told Dakota to assume the doggy position. The cultist grinned. Doggy was her favorite. Cody knew this, of course, as he had fucked Dakota countless times.

He positioned himself behind her. By now his knees were bleeding from the unforgiving boulder. Cody couldn't have cared less. It was, he reasoned, a small price to pay for nailing the two prettiest girls in his cult. Admiring Dakota's bony rump, he placed a hand on the small of her back. Then, holding his cock with the other hand, he entered her.

Cody banged her with everything he had, slamming her cooze none too gently. Dakota liked it rough, so that's what he gave her. He thrust harder and harder. She grunted with each forceful plunge, her knees and hands sliding atop the rock as she

struggled to maintain her balance. Cody wanted her knees to bleed like his, her knees and hands. Fresh blood, the cult leader reasoned, would confirm that he had fucked her properly.

He finished her with a rapid-fire barrage of penetrative thrusts. Dakota climaxed, lowering her head to the rock as the deliciously warm sensations flooded her system.

Sally was waiting for Cody when he pulled out. She sucked his dick, loving the flavor of Dakota on him. Cody shot his wad inside her mouth. Sally, ever the obedient cultist, swallowed every last drop of her charismatic leader's spunk.

The three of them lay atop the boulder for a good half hour. Cody closed his eyes. He tried to sleep but it was futile. The mountains, tall and immovable, resumed their mocking.

"Might as well be a giant set of knockers," he muttered.

The reality of the cult's plight returned with a vengeance. Money, he thought disgustedly, always money. Those strip club bozos hadn't seen the last of his girls. No way. Once Cody gave them a good talking to, well, at least one of them would be all too eager to add Sally and Dakota to the payroll.

Cody was nothing if not persuasive.

Sally and Dakota waited in the van while Cody visited the first tit-tie bar on his list. It was dusk. Garish neon flickered, the sleazy tenderloin just starting to teem with life. Their eyes peeled for cops, the two girls shared a joint to allay their increasing anxiety.

"He's been inside for an awfully long time," Sally said, her voice dripping with foreboding.

"Too damned long," Dakota replied. "I hope he's okay."

About that time the entrance to the bar flew open. Then came Cody, tossed onto the sidewalk like a sack of garbage. The orangutan who had done the tossing pointed a sausage of a finger at their expelled leader—"Get out and stay out, hippie!"—then promptly slammed the door.

Sally and Dakota came to Cody's aid. He was in bad shape, his face black and blue. They helped him into the back of the van. Neither girl had a valid driver's license. Sally didn't give a damn. She keyed the ignition and pointed the van toward the highway which led into the mountains.

Despite his aching head, Cody fell asleep almost immediately. He dreamed of tits. Big ones.
